IMPERIALISM IN CHINA

In 1900, the American illustrated magazine *Puck* published this cartoon as a comment on imperialism and its effects on the Chinese "dragon." Study the cartoon and answer the questions that follow.

1. Name the animal that represents the following countries:

United States _____

Russia _____

China _____

Great Britain _____

2. Which nations are attacking China?

3. Why are the animals representing Russia and Great Britain larger than the others?

4. What role is the United States playing in imperialism in China?

5. Write a caption or title for this cartoon. For instance, you might have two of the “animals” speaking to each other.
